Action Items

1. After discussing the ethical standards for the HIE process with the HIT Executive Committee, Dr. Thompson announced that ACHI staff would work with Jean Block to revise the disclosure form by adopting language from the Attorney General's office. The revised disclosure form will be presented to committee members at the next HIT Executive Committee meeting.
2. Frank Scott, a representative from Governor Bebe's office, announced that the Office of the National Coordinator (ONC) had recently notified Governor Bebe's office that \$7.9 million in funding would be distributed to the state for the HIE project. Click [here](#) to read the full press release.
